COVID-19 STATEMENT

At [insert customer name] we are not aware of any evidence to suggest that there is any increased risk of infection or contracting coronavirus through contact lens wear, when practicing good hygiene measures, such as thorough handwashing, along with optimal wear and care procedures. You can find what contact lens experts are saying [here](#). You should also feel free to contact [practice name] for additional information.

Running low on contact lenses?
We can help.

Your contact lenses.
**Shipped right to
your door!**
